Matthew Kelly “Rediscovering Catholicism”

“God calls each of us to live an **authentic life**. He has designed this life to perfectly integrate our legitimate needs, our **deepest**

desires, and our unique talents. The more **intimately** and **harmoniously** these three are related, the more you **become truly yourself.**”

“God doesn’t call you to live an **authentic life** so he can stifle or control you. He calls you to live an **authentic life** so that, from an infinite number of possibilities, you can **become the-best-version-of-yourself**. By calling you to live an authentic life, God is saying, **“Be all you can be.”**”
